

DIFFUSER SPECIALIST

TUBE GUARDS: SPECIALTY SPEC SHEET

DESCRIPTION:

Specialty Safety Tube guard Sleeves guard against the inherent dangers of fluorescent lamp breakage by retaining the shattered glass and phosphors. They are made from polycarbonate featuring high tensile strength and high impact strength when at low temperatures. Sleeves protect against dirt, dust, bugs, and flying insects. Most importantly, they block UV rays.

FEATURES & BENEFITS:

Reduce cleaning cycles and minimize lamp replacement due to breakage. Each specialty sleeve has its own unique feature and benefits.

SIZE & COLOR:

Available in T5, T8, and T12 .020 wall with standard 4' and 8' lengths. If the customer needs a custom length please call for details. Each tube guard includes 2 black end caps.

STANDARD COLORS INCLUDE:

Matrix: Fights glare. Change amount of light.

Naturalux™: Stops UV rays, glare. Natural light.

Polaris™: Photo luminescent - your glow in the dark tube guard.

Call for pricing. All products are proudly made in the USA.
